Highly Rated Draft Pick Keynotes Annual Traffic Club of Chicago Dinner

Chicago, IL. January 18, 2016 - The Executive Director and coaches of the Traffic Club of Chicago are pleased to announce that they have successfully drafted a star player to be featured as the key note speaker for the 109th Annual Dinner of the Traffic Club of Chicago.

The Traffic Club team will welcome Dan Hampton, a former defensive tackle for the Chicago Bears and a key member of their Super Bowl XX team. He is a four-time pro-bowler and a member of the NFL Football Hall of Fame. Hampton, often referred to as “Danimal” by teammates and fans, will deliver a winning message offering insight as to what it takes to be not only a successful “player” but also a successful team member to leaders in the logistics industry on May 19th, 2016 at the Sheraton Grand Chicago.

Now you know who's playing and can probably image how interested your staff and customers will be to not only hear Dan's message but get a chance to meet him. So as your company's quarterback it's time to huddle up and call the logical play, check in at the ticket booth and reserve your table today so no one's left on the sidelines.

For 50 yard-line tickets register today at www.traffic-club.org.

See you on game day!
