News Bulletin of the Traffic Club of Chicago

January 2014

*The Club's Officers and Directors wish all of
our members and their families
a Happy New Year, that brings you a bounty
full of health and prosperity.*

President's Message

Happy New Year!

As the Traffic Club of Chicago celebrates its 107 year anniversary in 2014, your Club is hard at work to ensure that the Club's legacy continues.

It is with much sadness that I write my first President's letter after the passing of one of the Club's truly great leaders, Mr. George Baima. A cherished friend and colleague, George Baima, passed away on December 6, 2013. Mr. Baima was a member of the Traffic Club of Chicago for over 30 years and served as president in 1995. George was also a member and chair on numerous club committees, including the Scholarship Committee that he so strongly supported.

My personal interest in the Traffic Club of Chicago was fueled by George and his leadership peers. After attending my first Executive Series Luncheon, and then another, I was impressed by the knowledge, relationships, and experience of those Club members whom I had met. I was anxious to learn from them, and teach me they did. Not in the traditional school setting, but experience after experience, event after event, George and The Club taught me about the importance of relationships. They reinforced the importance of being involved in order to be respected. They taught me about the pride one feels when introduced as a friend, when being introduced by someone you admire and respect. And they taught me that our industry's work, Freight, Transportation, and Logistics, can and should be fun when it is done with people you know and respect.

My goal this year is simple: To communicate to each and every member, and all future members, the value of the Traffic Club of Chicago. Membership in the Traffic Club of Chicago makes transportation professionals more knowledgeable, creates strong relationships, and is fun!

Wishing you a healthy and successful 2014.

Sincerely,
Craig Boughtf

Annual Holiday Reception Harry Caray's Ballroom – Westin Hotel

The club held its annual holiday reception on December 4th in Harry Caray's Ballroom located in the Westin Hotel in Lombard, IL. This was the first time that our holiday reception was held at this location, and you couldn't have found a nicer location. The reception was attended by over 200 members and guests and from the positive comments that we received on the food, service and convenience of the location, there's a good chance that we will be back here again in the future. Below are just a few of those who were on hand to enjoy the festivities that evening.

“Trends in Transportation, Lessons in Logistics and Secrets of Supply Chains”

Our February 20, 2014 Executive Series luncheon program will be held at the Carlisle Banquets in Lombard, IL and will be a bit different from some of our past programs. “Trends in Transportation, Lessons in Logistics and Secrets of Supply Chains” provoke those never ending questions that shippers and carriers continue to contemplate as they move into the New Year. So what is “The Key” to filter these predictions and to make sense of the marketplace and the effect that it will have on business?

It’s that time of the year when we are all asking the important questions. “What impact can I have on the marketplace, or what impact will the marketplace have on me? Do I lead, follow or get out of the way? What will I need to know and what must I do to find success in a world that has growing global competition, demands more regulation of people and equipment, while dealing with a government that is less business friendly and more imposing with their taxes? Two noted industry experts will discuss these concerns in a panel forum that day.

Joe Lombardo is President and Founder of Ege Avenue Associates, and has spent a career living the life of a

shipper. He knows how to make it happen, answering to the corner office and justifying the investment required to make the companies where he has worked successful and their supply chains profitable. Today, he heads a consulting practice that serves those who need-to-know and place a value on his experience.

Justin Zubrod is Managing Partner of Justin Zubrod and Co., LLC and led the world class global transportation practices at A.T. Kearney Co. for nearly 20 years. Today he runs his own consulting firm and continues to be the “go-to-guy” for the knowledge and insight that he provides to the transportation industry and the “insiders” who run their companies. Due to his diligence, expert witness and market analysis, he’s the first call from company decision makers.

These gentlemen will consult their “crystal balls” and pontificate for us, exposing their visions of the future for our market place, and will extol for us just what we will need to do to survive and flourish in the New Year. A flyer for this program will be sent out later next week. In the meantime, should you have any questions please contact the Club office by e-mail or by phone at 630-529-1333.

George Baima 1937-2013

George Baima – Resident member, Past President of the Traffic Club of Chicago (1995)

and Vice President Sales for Pacella Trucking Express, passed away on December 6th after his long fight with cancer. He was 76. Mr. Baima joined the Club in 1980 as Vice President of Sales for Central States Trucking and was an active member from the start. Over the years he served numerous times as a board Director, and chaired a number of Club Committees including House, Finance and our 106th Annual Dinner in 2013. However, Mr. Baima’s real passion was the Club’s Scholarship Committee. He chaired this committee many times over the years and always fought to get more funds available for deserving students. This was not his only challenge, as he was also involved in raising funds for the scholarship programs at the Intermodal Assn. of North America (IANA) and the Intermodal Assn. of Chicago (IAC).

His long standing commitment to the industry over the years was well known, and he served in many capacities with numerous industry associations. In 2008 he was presented with the prestigious Silver King Pin Award by the Intermodal Assn. of North America, recognizing his many years of service to the industry, and in 2011 he was awarded Transportation Man of the Year by the Intermodal Assn. of Chicago. At the Traffic Club of Chicago’s board meeting this past December, the board unanimously voted to approve the creation of the George Baima Scholarship Award, honoring Mr. Baima for his long standing commitment to higher education. This award will be presented annually to the student with the highest score judged by members of the Scholarship committee.

Robert Mack – Honorary member and retired President of Private Couriers, Inc. passed away December 4th at the age of 89. Mr. Mack was a long-time member of the Club, joining in 1975 as General Agent for the Chicago & North Western Railway following his service as a sergeant with the Army Air Force during WWII. Mr. Mack remained with the C&NW for 15 years, when he left the railroad to start his own business as President of Private Couriers, Inc. a trucking and brokerage company. Although he was not an active member and did not serve on any of the Club committees, he was an avid bowler, and was a member of the Club's Bowling League for many years. Upon his retirement from the company in 1994, he was elected an honorary member. He and his wife Lorraine remained in the Chicago area, residing in Barrington, IL up until the time of his passing.
