News Bulletin of the Traffic Club of Chicago

May 2012

From the Office of the President

This will be a wonderful summer in Chicago, and the Traffic Club will be offering a host of opportunities to make this summer a special one to remember.

Please join us for our executive series luncheon on May 17 at the Carlisle Banquets in Lombard. Our guest speaker that day will be Mark Yeager, Vice Chairman, President and COO, Hub Group, whose presentation will discuss what the future holds for the intermodal industry. This is a program you don't want to miss.

This year's Annual Dinner Golf Outing will be held on June 12 at Cog Hill Golf Club in Lemont, Illinois. The golf outing will once again require all of Cog Hill's four courses that day, as we anticipate over 300 members and guests to be in attendance.

Of course, the main event is the following evening, when the Club will hold its 105th Annual Dinner at the lavish Chicago Hilton Hotel on South Michigan Avenue. Our keynote speaker will be Steve Carter, who is responsible for the planning & strategy of Target Corporation's global logistics, and promises to be an interesting and informative speaker. Accommodations at the Hilton are going fast, so I encourage you to get your room reservations in as soon as possible.

On June 27 the Entertainment Committee will hold its annual private Stadium Club outing to see the Chicago Cubs take on the New York Mets at Wrigley Field. If you can't make that one, the committee will offer up an August 8 outing to Cellular Field to see our White Sox take on the Kansas City Royals in an evening game, complete with a picnic area dinner and box seats.

Our second golf outing of the season will be held on July 12 at Hawks View Golf Club in Lake Geneva, Wisconsin. This is a great course and many of you may not realize this, but when the course first opened back in 2001, the course was one three finalists in Golf Magazine's best new public course in the country. Today, it's the only 5 star rated course in the Lake Geneva area.

An added Executive Series luncheon program will be held on August 16 at Ravisloe Golf Club in Homewood, Illinois. Our guest speaker that day will be Ms. Bola Delano, Deputy Director, Planning & Programing, Illinois Department of Transportation. In conjunction with the luncheon, the Golf Committee will also hold their August golf outing at Ravisloe. This gives our members the opportunity to attend one or both events that day.

Finally, as I mentioned in last month's newsletter, we are doing something a bit different this year with respect to the Annual Dinner. Specifically, we are offering the opportunity for you, your customers and suppliers, to advertise in the Annual Dinner Program. Ad space is limited and is quickly being snapped up, so be sure to call the club office today!

Very truly yours,

Myles L. Tobin

May 21st is the Deadline For Room Reservations

The time is now! If you haven't already made your room reservations for this year's annual dinner, you need to do so before May 21st to take advantage of the special room rate of \$209 for those planning to stay over the night of our June 13 dinner. Currently, over 90% of our blocked sleeping rooms have been reserved. After the deadline, any remaining rooms in our special room block will be released back for general sales at the Hilton's standard room rate.

To make your reservation, please call the hotel's toll free number at 877-865-5320, and tell them you want to make a reservation under the "TCC" or Traffic Club room block.

Executive Series Programs Price Reduction - Correction

In response to numerous questions the Education Committee has received regarding the Club's new pricing policy for guests of Resident members attending Education events, the Committee would like to issue this clarification of the new policy.

For Executive Series Luncheon events in the suburbs Club members will now be allowed to purchase additional guest tickets for \$35 each or a \$10 reduction off the regular member price. There is a limit of two event guest tickets per Resident Club member. (Please note this selective price reduction will not be applicable for any events in the Chicago Loop like the March 2012 luncheon event.)

For Executive Series Logistics Mini-Seminars, both of which are scheduled to take place in the suburbs in 2012, Club members will now be allowed to purchase additional guest tickets for \$65 each or a \$10 reduction off the regular member price.
