News Bulletin of the Traffic Club of Chicago

November 2011

From the Office of the President

I hope some of you had a chance to attend last month's successful Executive Series luncheon at the Odyssey Country Club in Tinley Park. Scott Grady, Sr. Vice President, Sales and Marketing for Landstar Transportation Logistics was our guest speaker, who gave us a timely presentation on the current state of the trucking industry.

Try and make it a point to attend our upcoming Executive Briefing & Luncheon on November 17 at the Fountain Blue Banquets in Des Plaines, Illinois. This will be an interesting program, starting off with a morning keynote address by William Clement, VP Intermodal CSX Transportation. His presentations will be followed by a panel program with both shipper and provider executives conversing vis-à-vis on the "International Logistics Update." Lunch follows the panel program, with a presentation by Brian Bowers, VP Intermodal, Kansas City Southern Railway, which will conclude the day's event.

You are cordially invited to attend our Annual Holiday Reception, which will be held Tuesday, December 6, 2011, in the Ballroom of the School of The Art Institute of Chicago. The Ballroom, formerly part of the Illinois Athletic Club, was recently restored to reflect the historical look and feel of its original 1927 elegance. Its classic style is displayed with 26 foot high ceilings, marbleized columns and a terrazzo tiled floor reflective of the gilded jazz age during the roaring 20s.

The Ballroom is located just across the street from the Art Institute near the corner of Monroe and Michigan Avenue. Because of the holiday congestion, METRA is the recommended mode of travel, but parking is also available nearby at: East Monroe Street and Millennium Park garages (enter at Columbus Drive and Monroe Street), Grant Park south garage (enter at Michigan Avenue between Van Buren and Adams streets) and Grant Park north garage (enter at Michigan Avenue between Madison and Randolph streets). The reception is free to members who are allowed to invite a guest for \$25. Resident Members will also vote for the incoming board of directors, so we look forward to seeing one and all that evening.

Continuing a look at transportation trends, pipelines once an overlooked mode, are coming back due to the recent boom in the extraction of natural gas from shale rock in the US. Headlines of the Kinder Morgan purchase of El Paso Corporation will make them the largest operator of natural gas pipelines in the US. This will connect existing shale gas fields with proposed new pipelines in the Midwest to help meet the growing demand in the Southeast. These pipeline companies act as toll roads by charging a fee to the utilities that consume the gas being transported.

On behalf of the Club, I wish you and your families a bountiful Thanksgiving Holiday!

Jim Galen

Transportation Night Continues to Grow

Our 7th annual Transportation Night networking event last month at the Rosewood Restaurant was nothing short of a resounding success, with nearly 300 attendees taking advantage of the evening to meet and greet their peers from all areas of the industry. Another record was also set with a total of 13 exhibiting associations being represented that that night.

Those associations joining us for the first time as exhibitors were: American Society of Transportation & Logistics; Transportation Intermediaries Association; Transportation Marketing & Sales Association and the Women's Transportation Seminar. We were delighted to have these national organizations join us this year, and we look forward to seeing them back with us again next year. That date is tentatively set for October 10, 2012.

October Power Point Presentation is Available

A number of members who attended the October 20th Executive Series luncheon at the Odyssey Country Club in Tinley Park, asked if it would be possible to obtain a copy of the power point presentation that was given that day by guest speaker, Scott Grady, Senior Vice President with Landstar Transportation Logistics. We have just been informed by Mr. Grady's office that the company has OK'd the release of this presentation, and anyone who would be interested in receiving a copy can do so by calling the Club office at 630-529-1333 or, e-mailing us at: staff@trfclub-chicago.org

Thanks to Our Sponsors

Last month's Transportation Night networking event was an outstanding success, with a record number of exhibiting associations, as well as a record attendance that evening. As successful as this event was, it would not have been possible without the support of those companies who help to make this event possible through their sponsorship. Those companies are:

American Airlines Cargo
Dynamex
Fairmount Minerals
Flak International
International Packing & Crating
Larsen Leasing
NAI Global Logistics
Panther Expedited Services
Partners Logistics
RJW Transport Group
C.H. Robinson Worldwide
Schneider Transportation Management

Only Four Golf Outings Scheduled for Next Year

The Golf Committee announced that there will be only three regular golf outings instead of the usual four for the 2012 season. This change is due to the announced G-8 Summit and NATO Conference which will be held in Chicago next year, May 15-22. This announced international event has forced the club to move the annual dinner and the accompanying annual dinner golf outing to June.

With the dinner being held in June, the annual dinner golf outing would take precedent over the regularly scheduled June golf outing. The committee had discussed the idea of moving the June outing to May, but the weather is very unpredictable that time of the year, and it was also felt that the annual dinner golf outing should continue to be the first golf outing of the year.

Scholarship Program Reminder

By now all of our members should have received the application for next year's scholarship awards program which was sent out over a month ago. If you did not receive this application either by e-mail or regular mail, please contact the club office at 630-529-1333 and we will get that out to you right away.

Please remember that all applying students must have their application and other required documentation mailed to the club, postmarked no later than January 13, 2012. Any applications and/or other required material received postmarked after the stated deadline will not be accepted by the Scholarship Committee.

Transportation Night 2011

Shown below are just a few of the nearly 300 member, guests and other association attendees who came out to join us for our 7th annual Transportation Night networking event at the Rosewood Restaurant in Rosemont, Illinois.

This was the largest crowd we've ever had for this event, so if you weren't in attendance, you missed a great time to meet and greet your peers in the industry. Be sure you make plans to attend next year's networking event.

That date is tentative scheduled for Wednesday, October 10, 2012.
