News Bulletin of the Traffic Club of Chicago

November 2012

*We Wish All Our Members
and Their Families*

*a Safe and Enjoyable
Thanksgiving Holiday!*

President's Message

On behalf of the Club I'd like to wish each of you and your families a very safe and happy Thanksgiving holiday!

We have some great events coming up during the months of November and December. On November 29th the Education Committee will present "CSA - What Shippers Should Know" at the Wojcik Center of Harper College. This timely and informative program should be attended by anyone who's involved in the trucking industry.

Of course everyone looks forward to our annual holiday reception and this year's is no exception. This year's party will be held on December 5th at the Union League Club of Chicago, which was recently voted as the number one private city club in the country.

I'll look forward to seeing you at these and other upcoming events.

Sincerely,
Myles Tobin

Thanks to Our Sponsors

Last month's Transportation Night networking event was an outstanding success with over 300 members, guests and other association members attending this 8th annual event. A new addition was added to the list of exhibiting associations this year as Nasstrac joined us for the first time, making a total of 14 organizations that joined us this year. This event would not have been possible if not for the support of these organizations, but especially those companies who helped to sponsor this event and these companies are listed below.

Fairmount Minerals
Flak International
Hong Kong Trade Development Council

Holiday Reception is Just Round the Corner

By now you all know that this year's annual holiday reception will be held on Wednesday, December 5th at the Union League Club of Chicago. The reception will be held in the main dining room located on the 6th floor from 6:30 p.m. to 9:00 p.m. For those of you who have never been to the Union League Club this is an event that you don't want to miss. There's no cost for members to attend and the cost for invited guests is a nominal \$30.00 per person. The reservation form for this event has already been sent to the members, so please get your reservations in as soon as possible.

Additionally, a block of sleeping rooms has been set aside at the Union League Club for those who wish to stay overnight following the reception. The cost for a room is \$180.00 inclusive, and the number of rooms we have reserved are limited so you need to make your reservations as soon as possible. Below is one of the Union League Club's newly remodeled sleeping rooms.

To make your reservations please call the Union League Club at 312-427-7800 and tell them you would like to reserve a room under the Traffic Club of Chicago room block.

Scholarship Application Update

The application for the Scholarship Committee's 2013 awards program has now been sent to the members. This year's application has been designed whereby the student can fill the application out on-line which can then be e-mailed back to the Club office upon completion.

Please note that it is the responsibility of the student that their completed application along with all other required documentation be sent to the Club office postmarked no later than January 25, 2013. Any applications received postmarked after this deadline will not be accepted by the committee and will be returned to the student.

Hilton Chicago Will Host 2013 Annual Dinner

Just a reminder that next year's 106th Annual Dinner will be held on Thursday, May 16, 2013 at the Hilton Chicago located at 720 S. Michigan Avenue, downtown. Both the general reception and dinner will be moved to the International Ballroom which will allow us more room to expand the event.

It's not too early for those companies who had hospitality suites this year, to make your arrangements for next year. Please contact Martha Itulya-Omollo, Catering Manager at 312-663-6549. She will be able to assist you with making those arrangements. We will also have a block of sleeping rooms for the night of the dinner, and as soon as we finalized these arrangements we will make that information available.

Transportation Night is a Proven Success Once Again

Last month's 8th annual Transportation Night networking event at the Rosewood Restaurant continued its success with over 300 attendees taking advantage of the evening to meet and greet their fellow peers in the industry. Mother Nature was also kind to us by giving us an evening that was void of any inclement weather that is always possible at this time of the year. Although a couple of associations were unable to join us again this year due to scheduling conflicts, another organization joining us for the first time helped to offset this loss, giving us a total of 13 organizations being represented that night. We want to thank the following industry groups who helped make the event a success and we look forward to having them join us again next year. That date is tentatively set for October 9, 2013.
