News Bulletin of the Traffic Club of Chicago

August 2013

## President's Message

This month completes seven months serving as your President. I am very proud of our club's board members as they have continued to build momentum and completed many of the tasks that will help to extend the sustainability of your club over the coming years.

So far this year's golf outings have been well attended, successful and fun. If you haven't done so already, be sure to make your reservations for our next golf outing on August 15th at the Odyssey Country Club in Tinley Park. My wife, Laurie and I lived there at one time, and I can tell you firsthand it's a nice course to play. The course is well maintained and somewhat forgiving compared to the courses we've played so far this year.

## August 22nd to Feature Chicago Summer Soiree

Traffic Club members and guests are invited to attend a social gathering in the heart of Chicago. Goose Island Brewery was great but this time the site is Millennium Park (Grant Park for you oldies), home of the "Lollapalooza" the "Taste of Chicago" and the new 1st Annual Classic Chicagoland Supply Chain Connection that we call "Chicago Summer Soiree."

Held on August 22nd in the Pritzker Beer Garden, this networking event is billed as a "must attend" for all involved in Supply Chain, Logistics, 3rd Party Operations, Transportation, Distribution and Warehousing. What makes this activity so special is that the Traffic Club of Chicago is sharing the space with the Chicago Roundtable of the Council of Supply Chain Management Professionals.

## Transportation Night Just Around the Corner

On October 9th the Club will host its 9th annual "Transportation Night" networking event at the Rosemont Restaurant in Rosemont, Illinois. Along with the Traffic Club, there will be many other transportation associations from the Chicago area also joining us as exhibitors that night.

This popular and much anticipated event is a great opportunity for our members to come out and visit your Club's booth, and say hello to those members who will be volunteering their time that evening. It's also a great venue for you to meet and greet others in our industry.

Members and non-members alike are invited to attend. There's no cost and you don't have to make reservations. This event will run from 5:30 pm to 8:00 pm, so be sure to bring plenty of business cards and just start networking.

This long standing luncheon is the Club's way of saying thanks to all those members, who now retired, supported the club during their many years as active members. Their efforts over the years have helped to build the club where it is today. This luncheon is open to anyone, and would be a great opportunity for our younger members to meet and greet those members who went before you and have passed now passed the torch to you. They will also have some great stories to tell as well.

I hope you and your family are finding time to enjoy the summer and hope that your vacations have been or will be relaxing and enjoyable. Please keep your foot on the pedal as we continue to build momentum towards this year's goals. We need to strive to deliver a strong 2013 year end!

Sincerely,  
Eddie Beard

# A Great Day of Golf at Abbey Springs Golf Club

Below are just a few of our members and guests who enjoyed a rather warm but fine day of golf at our second outing of the season on July 18th at Abbey Springs Golf Club in Lake Geneva, Wisconsin. The day concluded with a wonderful buffet dinner and the awarding of the contest winners, which was followed by some great door prizes. Next up is August 15th outing at the Odyssey Country Club in Tinley Park, Illinois. We look forward to seeing you that day.

## MEMBERSHIP CHALLENGE 2013...LOOKING FOR A FEW GOOD MEMBERS

All we ask is that each of our members tries to bring in just *One New Member*.  
That's all ... just *One New Member*.

It doesn't take much effort and we will even help you there. Below is an application form you can fax to someone you know that's not currently a member and encourage them to become one. Better yet ... just forward them the newsletter so they can read first hand what the club has to offer. As a fellow club member you already know the many benefits available to you and a brief note from you is all that's required. That's all there is to it.

*Thanks for your help in making 2012 another successful membership drive year!*
