News Bulletin of the Traffic Club of Chicago

November 2014

From the Office of the President

The theme this month is "Change". November is the season of change. The leaves are changing, the weather is changing, and the Traffic Club of Chicago is changing.

On October 31, Bill Fors, the long-time Executive Director of the Traffic Club of Chicago retired. Bill has been the heart of the Club for over 40 years. He has been the face of the Club, the voice of the Club, and the key to the Club's success for more than 4 decades. I would like to personally thank Bill for his exceptional commitment and dedication to the Club and its Members. Bill's passion for the Club and its mission has been unrivaled.

With Bill's retirement, as of November 1st, all Traffic Club management responsibilities have been transferred to CM Services, Inc., The Association Partnership Company. TCC's office headquarters have also been relocated from Bloomingdale to CM Services' offices in Glen Ellyn.

New contact information for the Traffic Club of Chicago office and staff are as follows:

Your Board of Directors has been working with Bill and CM Services for over a year on this transition. CM Services has been partnering with national and international trade associations similar to The Club for almost forty years. I, and the Board, am confident the team at CM Services will provide excellent service and value to The Club and its members for years to come.

The Club has seen many changes in the 100+ years of our history. Bill Fors has provided a constant calming presence during a significant portion of that history. I am personally grateful for all that Bill has done for the Club during his tenure.

Changes are all around us, at the Club, in our businesses, and in our personal lives. It is my hope for the Club and each of you that these changes make us all stronger.

Wishing Bill Fors a happy, healthy, and rewarding retirement. And wishing each of you a Happy Thanksgiving.

Sincerely,
Craig Boroughf

Fairmont Chicago Will Host 2015 Annual Dinner

The Annual Dinner committee has just announced that our 108th annual dinner will be held at the Fairmont Chicago, Millennium Park located at 200 N. Columbus Drive in downtown Chicago. The date is Thursday, May 14, 2015. Due to Memorial Day being a week earlier next year, it created a domino effect involving all the trade shows and conferences that normally meet in May, and as such, none of the hotels that have hosted the dinner in the past were available.

Currently we don't have all the information regarding the dinner, but as soon as that becomes available, we will pass that along to the members. The golf outing which precedes the dinner will be held on Wednesday, May 13, 2015. Once again, the outing will be held at Cog Hill Golf Club in Lemont, Illinois, and all four courses have been reserved that day. In the meantime, should you have any questions regarding the dinner or the golf outing, please contact Briana Gunn at the club office, 630-529-1333.

Transportation Night is a Proven Success Once Again

Last month's 10th annual Transportation Night networking event at the Rosewood Restaurant continued its success with over 200 attendees taking advantage of the evening to meet and greet their fellow peers in the industry. Mother Nature was also kind by giving us an evening that was void of any inclement weather which is always possible at this time of the year. Although a couple of associations were unable to join us this year due to scheduling conflicts, another organization joined us for the first time, and along the Traffic Club gave us a total of twelve associations represented that night. We want to thank the following industry groups who helped make the event a success, and we look forward to having them join us again next year.
